If the Board of Directors determines that a water allocation program is necessary, any customer who fails to comply with the requirements of the water allocation program shall be subject to one or more of the following:

- 1) Payment of monetary penalties as set forth in Resolution No.9, paragraph 3(C)
- 2) Daily monitoring of water usage, including payment of a monitoring fee of \$100.00
- 3) Termination of water service for a period of not more than two consecutive weeks
- 4) Payment of a fee of \$50.00 for reestablishment of water service
- 5) Payment of all other costs and expenses incurred by the District as a result of the customer's non-compliance, including attorney's fees.

### **4. ADJUSTMENTS**

- a. The Board of Directors may establish an appeals procedure to hear and determine the adequacy of individual water meter allocations.

b. Plus the applicable proportionate part of any taxes or governmental impositions which are or may in the future be assessed on the basis of the gross revenues of the District and/or the price or revenue from the water or service sold and/or the volume of water pumped or purchased for sale hereunder. In the event of any increase or decrease in taxes or other governmental impositions rates shall be adjusted to reflect such increase or decrease.

### **5. NEW CUSTOMER CONNECTION CHARGE**

A non-refundable service establishment charge of \$50.00 and the appropriate tax adjustment will be assessed when the District is requested to establish water service to a customers delivery point where there is an existing service line. All others will be \$275.00.

### **6. RECONNECTION CHARGE**

a. If service is to be re-established at the same service location for a customer who has there ordered a service disconnection within the preceding twelve month period, or for any member of such customers household, a non-refundable charge of \$360.00 and the appropriate tax adjustment will be required as a precondition to the establishment of such service. Payment for such charges shall be made at the time of application for re-establishment of service.

b. To re-establish service, if service to a meter has been terminated for non-payment, service to that meter will not be re-established unless all of the following are paid:

- (a) All past due charges applicable to said meter, regardless of individual responsibility therefore;
- (b) All minimum monthly charges for months in which service was terminated; and
- (c) A \$100.00 service charge.

### **7. TRANSFER CHARGE**

A \$50.00 charge will be made for the transfer of an account from one customer to another.

### **8. CASH DEPOSIT**

a. A cash deposit of \$50.00 shall be required for all new accounts.

b. If delinquency is re-occurring or habitual, the District may require a cash deposit equal to 2 1/2 times the highest monthly bill of the past 12 months against future bills of any customer in order to continue service.

### **9. SERVICE CHARGES**

a. Homeowner requested assistance with water turn-on/turn-off will be subject to services charges.

### **10. SPECIAL CONNECTION FEE-NON ASSESSED OR SUBDIVIDED PARCELS**

A special connection fee of \$4,419.95 shall be charged and collected prior to connection of service to any lot or parcel which:

- a. Has not previously been assessed to defray the capital cost of the Districts water system or of the bonds; or
- b. Is a subdivided portion to a lot already subject to an assessment, which subdivided portion is to be connected for service through an individual meter.
